HENDRIK LOUW

It was more than five years ago when the first group of mothers, teachers and other involved participants received Moompi training at Hendrik Louw.

A Moompi project was implemented at the school that addresses on a universal basis child well-being.

A dedicated group of Moompi-mothers was also formed.

*The Moompi Project @
Hendrik Louw was Strand
Dameskring's project for 2010*

**Gordon's Bay
Primary School**

The Moompi project is doing just fine in the capable hands of Amanda Habets, Chair.

2011

*We will soon
publish pictures
of all Moompi
mothers!*
